Notes 1. Operations conducted at branches include those carried out by the Micro Business and Individual Unit; the Agriculture, Forestry, Fisheries and Food Business Unit; and the Small and Medium Enterprise Unit. In the table above, the listing of specific units under a branch indicates that specialist staff members are permanently assigned to conduct respective unit operations at that branch.

2. For branches that do not have permanently assigned specialist staff for a particular unit, consulting services and information provided by specialists from that unit are available through regular specialist staff visits and the use of video conferencing.
